Re: Recommendation

To Whom it May Concern:

I have contracted with Jorge and Juan Gonzalez on numerous construction projects. The first project was in 2007 and was a 1,421 square foot addition to my dental facility in Weslaco, Texas. The second project in 2008 was my current home. The third project in 2010 was on my rental property at South Padre Island.

During these contracts I found these men to be very professional and proficient in their business principles as well as in their ability to complete the jobs in a well-timed manner and to my specifications.

I am more than pleased and would not hesitate to recommend them for any project. Please feel free to contact me with any questions that you may have regarding Jorge and Juan.

Sincerely,

Dr. T. Beth Vance
